- Maximum order quantity of 500 pieces (per part number)
- Orders over 500 pieces (per part number) will be shipped via standard shipping
- Bulk packs not included in this program
- Only available in US and Canada
- No changes in pricing

HOW TO CREATE A PART NUMBER BUILD

STEP 1: SELECT PART NUMBER FAMILY	STEP 2: SELECT LENGTH	STEP 3: SELECT COLOR	= UTP28X7BU
UTP28X	7 Feet	BU (blue)	

Category	Performance Level	Gauge	Product Family	Length in Feet	Color
Part Number Build			1	2	3
Unshielded	Category 6	24 AWG 28 AWG	UTPSP† UTP28SP	8 in. (28 AWG only) 1 3 5 7 10 15	BU (Blue) BL (Black) YL (Yellow) RD (Red)
	Category 6A	24 AWG 28 AWG	UTP6AX UTP28X		GR (Green) Blank (White)

• 8 in. cords are available only for 28 AWG patch cords. UTP28SP8INBU and UTP28X8INBU are both 8 inch blue patch cords.
 • For white patch cords, do not use any color code. For example, UTP28SP7 is a 7 ft. white patch cord.
 †For Category 6, 24 AWG part numbers, include a "Y" at the end of the part number. For example, UTPSP7BUY.
