

MP100 PXE™ Series Mobile Printer

Bluetooth Enabled Industrial Grade Performance

PANDUIT®
PRODUCT BULLETIN

The MP100 delivers advanced features for network, electrical, and industrial labeling applications. With USB, Bluetooth, and mobile app connectivity, it offers flexible options for field use and fast-paced workflows. As part of the PXE™ Series Mobile Printers, the MP100 combines Panduit's trusted durability with Epson's world-class printing technology—so you can do your job smarter, faster, and easier.

PANDUIT™

EPSON

PORTABLE LABELING SOLUTION PARTNERS

KEY FEATURES & BENEFITS

Shared PXE cassette platform:	Interchangeable with all continuous label cassettes up to 1.0 in. wide
High quality printing:	180 dpi print resolution delivers crisp, professional-grade print results
Flexible label options:	Prints up to 1.0 in. wide labels at print speeds of 0.6 in./sec
Easy-to-use software:	Print on demand using Panduit mobile apps or from Easy-Mark™ Plus Software
Strong company partnership:	Combines Panduit labeling and software expertise with world-class Epson print technology

Epson™ Print Technology

Epson is a global technology leader dedicated to connecting people, things and information with efficient, compact and precision technologies.

Panduit™ Labeling and Software Expertise

Panduit creates leading-edge labeling solutions for electrical and network environments, from the data center to the telecom room, the jobsite to the plant floor.

EASY-MARK™ PLUS SOFTWARE

- Common templates to easily create and print all electrical and network applications
- 11 languages included
- Available for USB flash drive, CD, web download or network server-based version
- Works with Panduit portable and desktop thermal transfer printers, Panduit embossing systems and other laser jet and ink jet printers

MP100 PXE™ Series Mobile Printer
