Global Ecosystem of Partners and Distributors

Government Pricing Contracts Available

Reliable, Scalable, and Interoperable Solutions

Dedicated Federal Team

Panduit offers a wide range of products that comply with either the Trade Agreements Act (TAA), Buy American Act (BAA), or the Build America - Buy America Act (BABA) to supply U.S. government or federally funded projects. Panduit takes pride in ensuring that a significant portion of our products align with the sourcing and manufacturing criteria outlined by the U.S. federal government. In addition, Panduit products are commercial-off-the-shelf items, meant for general consumption.
